All pickup times are approximate and students should arrive at the bus stop about 5 minutes prior to the pickup time. Students should arrive early the first few weeks of school until a regular schedule has been established.

At dismissal, 2 buses are called at a time starting at 3:55 p.m. based on the order they arrive to the school. Parents meeting students at the bus stop should be prepared to receive them as early as 4:00 p.m. Dismissal runs until 4:15 p.m. with our last buses departing from the school at this time.
