VOLUNTARY School Uniforms

Hello Parents and Guardians of Woodholme Elementary School Students:

Based upon the June 2011 school uniform survey results, Woodholme Elementary School PTA, in conjunction with our school, is pleased to support a voluntary school uniform dress code. Uniform dress means that students are dressed in a similar fashion, but not identically. You have the option of purchasing uniform items from any vendor who meets your needs. Suggested vendors included: SuperKids, Target, Kohl's, KMart, Walmart, JC Penney, The Gap, Old Navy, etc.

Uniform dress is highly recommended for all students. Your support and cooperation is greatly appreciated as we strive towards higher standards . . . a new level of success at Woodholme! Thank you.
